

# Custom Immortalization Service Form

\*\*Please complete this form and email to [quotes@abmgood.com](mailto:quotes@abmgood.com)

## 1) Customer Information

*Name:	<input type="text"/>	*Organization:	<input type="text"/>
*Shipping/Billing Address:	<input type="text"/>	*Phone Number:	<input type="text"/>
		*Email Address:	<input type="text"/>

## 2) Cell Line Information

*Cell Line Name:	<input type="text"/>	*Cell Type:	<input type="text"/>
*Species:	<input type="text"/>	*Organ:	<input type="text"/>
*Growth Properties	<input type="checkbox"/> Adherent <input type="checkbox"/> Suspension	*Doubling Time:	<input type="text"/>
*Complete Medium Composition:	<input type="text"/>		
*Temperature:	<input type="text"/>	*CO <sub>2</sub> Level:	<input type="text"/>
*Special Coating Needed?:	<input type="checkbox"/> Yes <input type="checkbox"/> No		
If yes, please specify coating:	<input type="text"/>		
Maximum population doubling of the primary cells:	<input type="text"/>	Maximum passage number the primary cells can sustain:	<input type="text"/>
Split ratio:	<input type="text"/>	Passage number at which the primary cells will be submitted at:	<input type="text"/>

## 3) Reagents for Culture (must be completed for service)

For this service, can you commit to providing:

- 1) 2 million cells?  Yes  No
- 2) 1L of Basal Medium (if not DMEM or RPMI) and additional supplements (including FBS, etc.)?  Yes  No
- 3) Flasks and coating (if not standard)?  Yes  No

#### 4) Choice of Immortalization (one option must be selected for service)

**Option 1: abm** will choose the best reagent(s) & provide cells from the most successful reagent(s).

**Option 2:** Choose 1 specific reagent/combination; will attempt with specified reagent only.

Reagent

**Option 3:** Choose >1 specific reagent/combination; will attempt with these reagents alone or in combination

Reagent # 1

Other Reagents:

#### 5) Deliverables

*\*\*Unless any Add-On Service(s) is specified, only the following two deliverables will be provided by default*

1) Up to 1 vial for each cell line

2) Service report:

a) Morphology Assessment

b) Test results for the presence/absence of microbial contaminants

c) Confirmation that cells can be passaged for  $\geq 20$  passages (cells delivered are from earlier passage)

#### 6) Add-On Services

*\*\*These add-ons are available. Select if you would like to add any additional services to your order:*

Additional vials of the delivered cell line (indicate number of additional vials):

STR profiling of primary and immortalized cell line

#### 7) Additional Comments
